### **Plan Definitions & Member Accounts**

All membership plans are just that, a membership plan. No plan differentiates the importance of any member over another. Members should choose the plan which represents the best value for their lifestyle and play schedule. All plans are open to both new and returning members.

**Premium Plans** offer unlimited play for the more avid golfer *within the plan's time restrictions*. **Pay Per Play** plans are for those golfers looking for a lower up front cost, who plan to play less than 40 rounds per season.

**Premium Plan** members are not charged at the time of play, when playing within plan. Any tee times outside of plan must be paid by member at time of play and will be discounted by 10%.

**Pay Per Play Plan members** will receive a 20% discount when they fund their **Pay Per Play** account. Accounts may be used for cart rentals, Pro Shop purchases or Range Play. **Pay Per Play** member accounts will be charged \$10.00 per each 9 hole round, \$15.00 per each 18 hole round from their pre-funded account. Since your account was funded at a 20% discount your net cost would be \$8 for 9 holes or \$12.00 for 18 holes.

Any member may establish a Member Account. Member account balances not used during the season may be rolled over to the next year or refunded at your request.
