Plan Definitions & Member Accounts

All membership plans are just that, a membership plan. No plan differentiates the importance of any member over another. Members should select the plan which represents the best value for their lifestyle and play schedule. All plan options are open to new and returning members.

Premium Plans offer unlimited play for the more avid golfer **within the plan's time restrictions.**

Pay Per Play plans are for those golfers looking for a lower up-front cost.

Pay Per Play Plan members will receive a 20% discount when they fund their **Pay Per Play** account. Accounts may be used for cart rentals, Pro Shop purchases or Range Play. **Pay Per Play** member accounts will be charged **\$15** per each 9-hole round, **\$20** per each 18-hole round from their pre-funded account. Since accounts are funded at a 20% discount your net cost would be **\$12** for 9 holes or **\$16** for 18 holes.

Any member may establish a Member Account. Member account balances not used during the season may be rolled over to the next year or refunded at your request.

Out of Plan Play - All Members will be entitled to a 10% discount off the rack rate if they are playing out of their designated plan times.

Young Professional Memberships will be offered this year to any young professional who is between 18 and 40 as of June 1st of 2022.

New Discount Membership offering - This membership offering is priced at \$350 per season and entitles the Member to 20% off all green fees, cart fees and merchandise purchases by the Member during the 2022 season.

20% Guest Discount Offering - For Members who would like to regularly invite guests to play with them. For an additional \$250 for the season, Members can invite up to 3 guests per day, and each Guest will be entitled to a 20% discount off all green fees and cart fees when playing with the Member. The guests will not be entitled to any other Membership benefits.
