

Members and Patrons,

It was a long and hot year, little rain, drought conditions and a crazy world with the COVID-19 Pandemic. We are so grateful to our loyal members who always show such great support and the many league and day players who came out and golfed this year.

The kindness and community spirit you show always amazes us.

Sadly with the weather forecast projected, we reviewed the coming week and feel **today is the last "official" day of golf.**

- The staff will continue course maintenance to prepare for a great 2021 golf season.
- Our members are permitted to continue to play rounds if they check in at the Bistro.
- Our current cart fleet will soon be gone to be replaced with a brand new fleet in the early spring so member play will be **limited to walking only.**
- The Pro Shop will be closed as of tomorrow but you can still reach us at our restaurant and sales office at 207-793-9612 or by email at sbeckwith@provincelakegolf.com
- For those with booked tee times we will make arrangements to meet you 15 minutes prior to your scheduled tee time to allow you to play your booked rounds.
- The course will be under "winter conditions" with no further scheduled mowing.

We do ask that clubs and push carts are removed from club storage by 10/31 as We will be continuing the completion of the clubhouse through the winter months as well as finalizing the storage area. You can make an appointment to pick up your clubs at the number or email above.

For those headed south we wish you the safest of travels, for those staying local we wish you a warm and merry winter through the snowy times and for everyone we wish you the gift of great health in the coming months.

We will be sending out finalized Membership Handbooks and applications soon and know many may have questions. As we said at our last member forum, we are always willing to listen and answer questions as you decide on your 2021 golf journey.

For those of you who are great supporters of The Carriage House Bistro and Tavern we will remain open and see you over the winter months.

Thank you,

The PLG Team.
