

# PROVINCE LAKE GOLF COURSE BIOBLITZ!

**We need your help for a day of discovery and fun!**

**Come explore the fields, forests, and ponds of the Province Lake Golf Course in Parsonsfield, ME and Effingham, NH!** Join us as we discover and map the plant and animal species around the golf course. Experts will be on hand to help us learn what plants and critters we see. Your help will directly benefit the course's stewardship of their natural resources and help with environmentally friendly golf course maintenance strategies. As a neighbor to Province Lake, the PLGC is seeking certification as an Audubon International Cooperative Sanctuary to preserve habitats and protect water quality.

**What to Bring:** Water bottle, long sleeves/pants for bug protection, hat and/or sunscreen, binoculars if you have them (we'll have a few, too), rubber boots (especially for kids!). We'll provide: Water and snacks!

**Youth Volunteers?** This is a family-friendly event. Children are welcome with adult supervision.

**Sign-up at:**  
[newengland.stewardshipnetwork.org](http://newengland.stewardshipnetwork.org)

**Saturday,  
June 3<sup>rd</sup>  
8 – 11 A.M. &  
12 – 3 P.M.**

*Rain date: June 4*
