

To All Our Prospective and Returning Members,

We hope that you had a wonderful “off season”. It has been VERY COLD here. Province Lake Golf is pleased to share our 2025 Membership for this season.

- Membership Plan Pricing and Time Restrictions (*1 page*)
- 2025 Membership Application (*2 pages*)

This information is being sent to all returning Members and others who have visited/played our course recently. Please feel free to forward/share with others who you believe may be interested in joining our Province Lake Golf community.

Recognizing that each prospective Member has likely experienced economic challenges over this past year, we continue to adjust our plans to provide reasonably priced options for your consideration. We too have experienced similar inflationary trends in labor, energy and fuel/utility costs.

We have listened to your input and have adjusted the time breaks in our plans from 2 PM to 1PM. In our next mailing, we will provide you with the 2025 rack rates, league rates, and group outing rates for 2025. In that mailing we will update on course improvements that are in process now and coming throughout the 2025 golf season.

Should you have any questions upon receipt of this “Membership Offering” please contact our Pro Shop staff. They will be available to help you select the plan which is most compatible with your projected play schedule. Thank you.

Pro Shop: 207-793-4040 or proshop@provincelakegolf.com

Membership Questions: Chad Hamilton at chamilton@provincelakegolf.com

Tournaments/Outings: Sabin Beckwith at sbeckwith@provincelakegolf.com

We look forward to welcoming both our new and returning Members in a few short months.

Thank you all for your consideration of this Membership offering.

The PLG Team
